Consent Decree Wallace Yard Only (BNSF Draft #2) == 07-12-09.DOC

Confidential - For Settlement Purposes Only

In an effort to capture the momentum we have built-up in these negotiations I spent time over the weekend developing a CD that is focused on the Wallace Yard and Hercules Mill Site. I vetted this with Gail. And I just left v-mail about this. Take a look, think about it, and then give either me or Gail a call to discuss what we are thinking about here. My sense is the SOW and work plans and RAD Drawings for the Wallace Yard and Hercules Mill Site are also going to be ready by July 31.

Subject: Re: Wallace Yard CD revision - ERROR

I am very sorry, but it seems I sent out the wrong version of our CD revision (even after checking this repeatedly).

Attached is the correct version, with a real number plugged into Para. 57(e).

Please DELETE the version sent earlier today.

Thank you.

Wallace Yard CD

All:

Attached, Govts' latest revision of the Wallace Yard CD. All proposed changes (not many) should appear in redline/strikeout.

We look forward to discussing on the call in 40 minutes (2 pm PDT)  
Obviously not expecting immediate reactions from RRs, just want to walk through ideas.

Sorry for the delayed transmittal here - actually thought I'd sent the revised draft last night.

Cliff Villa  
Assistant Regional Counsel

U.S. EPA Region 10
